ART FROM WOOD

solo work collection

As the way we work changes, we must all adapt to a new normal in our social and professional lives. Defining work areas with plenty of space between users continues to be a priority, as well as mobility for both the commercial and home office.

Our Solo Work Collection allows for social distancing by design. Each piece can be customized to fit your space and is currently available as part of our Quick Ship program with 4-6 week lead times. Work safe and in style with Solo.
